## PROFILE

I learn things quickly on my own and appreciate obstacles since they provide me fresh learning opportunities. When given the chance, I am also an outstanding team player, a social leader, and a communicator with strong interpersonal skills. I am a deadline oriented individual who is always on time and a cheerful individual who motivates team members to work efficiently and productively to accomplish team goals.

Google

## PROJECTS

September 2023 – November 2023

### Fully Automated Fish Tank Monitoring System

It's a solution for home and office aquarium enthusiasts looking for an easier way to care for their fish. This system automates monitoring, giving real-time information on important factors. It helps users keep an eye on water conditions and make necessary adjustments for their aquatic friends.

August 2023

### **Robotics Showdown Competition, RoSCo**

The competition was a true test of creativity, Problem-solving skills, and teamwork, and I am proud to have been a part of it.
